## PROFESSIONAL SUMMARY

Flutter Developer with 2+ year of experience delivering high-performance mobile applications. Skilled in Flutter, Dart, Firebase, Riverpod, and UI/UX design. Developed and deployed mobile and web applications for both general and industry-specific use cases including jewelry business solutions. Adept in both frontend and backend integration using RESTful APIs, Node.js, and state management techniques. Collaborative, detail-oriented, and passionate about creating intuitive user experiences.

## WORK EXPERIENCE

### Flutter Developer & UI Designer

Gramboo Technologies, Ernakulam | January 2024 – Present

- Spearheaded development of mobile apps for the jewelry industry using Flutter and Dart.
- Designed and implemented responsive and visually appealing user interfaces using Figma.
- Applied Riverpod for efficient and scalable state management.
- Integrated Firebase services for real-time database, authentication, and cloud functions.
- Gained exposure to backend development using Node.js, expanding full-stack capabilities.
- Participated in agile development processes, including daily stand-ups, sprint planning, and code reviews.

### Flutter Developer

First Logic Meta Lab Pvt, Perinthalmanna | June 2023 – November 2023

- Built cross-platform Flutter applications and integrated REST APIs for data operations.
- Applied MVC architecture and used advanced state management techniques.
- Designed responsive UI using Figma and participated in sprint planning and retrospectives.
- Performed code reviews and contributed to improving app stability and performance.

### Freelance Graphic Designer

Aug 2021 – Present

- Delivered custom visual designs for clients including branding, marketing materials, and digital assets.
- Managed multiple design projects independently, ensuring timely delivery and quality results.
- Tools used: Photoshop, Illustrator, CorelDraw, Figma.

## EDUCATION

- Bachelor of Computer Applications (BCA), ISS Arts & Science College, Perinthalmanna, Kerala (2020 – 2023)
- 12th (HSE), Govt. VHS School, Makkaraparamba, Kerala (2017 – 2019)
- 10th (SSLC), TSS Vadakkangara Makkaraparamba, Kerala (2016 – 2017)

## PROJECTS

- Blithe – Event tracking app for Bangalore's tech and cultural events
- Tharacart – Kerala-based e-commerce mobile app
- Kalpaka App – App for managing staff, orders, and manufacturing records
- Inventory Management System – Application for business inventory and stock tracking
- Jewelry Order Management – End-to-end solution for jewelry order intake and fulfillment
- Jewelry Bill Estimation App – Real-time billing app with price, weight, and tax estimation
- Jewelry CRM App – Mobile CRM to manage leads, orders, and follow-ups
- Jewelry Management Dashboard – Visual dashboard for tracking sales, employees, and stock
